Please park in the student parking lot! (The staff lot is tiny and will hold building staff and handicap passes only; we **cannot** block the fire lanes.)

**Route 1:** From San Mateo Blvd, turn East on San Mateo Lane. Follow the left turn, and right turn through the apartment complex. The parking lot is ahead on the right. The first (West) gate is the student drop-off loop, and there is no access to the parking lot. The SECOND (East) gate is the entrance to the parking lot.

**Route 2:** From San Mateo Blvd, turn East on McLeod at the stoplight. Turn South on San Mateo Lane, the parking lot (East gate) is straight ahead.
